

REBATE SCHEDULE

AmeriFlood, LLC, in accordance with F.S.A. 626.572, shall make the following rebate, and only the following rebate, available to insured's in the respective actuarial classes:

.6521% of the commission received on RCBAP flood insurance policies issued by American Bankers Insurance Company of Florida.

.7142% of the commission received on all renewal RCBAP flood policies issued by American Bankers Insurance Company of Florida

.5217% of the commission received on all non residential and dwelling flood insurance policies issued by American Bankers Insurance Company of Florida.

.5714% of the commission received on all non residential and dwelling flood insurance policies issued by American Bankers Insurance Company of Florida.

Such rebate has been approved by, and is in accordance with our rebating schedule filed with American Bankers Insurance Company of Florida

In calculating the rebate, the commission excludes all policy fees and expenses. The rebate will be paid annually, upon AmeriFlood, LLC receiving the full commission from the insurer. Should the full commission not be earned, the rebate will be adjusted accordingly.

The rebate will be uniformly applied and is not dependant on the age, sex, race, nationality, ethnic origin, marital status, or occupation of the insured, nor the location of the risk, nor any other unfairly discriminatory factors. Additionally, the rebate is in no way conditioned on the insured's purchase of collateral business.

If you would like a copy of this rebate schedule please contact AmeriFlood, LLC at 1 800 263-7435.
